

2008 Heads of Schools Meeting and Dinner

Friday, 7 March 2008, Sydney

The Montessori movement in Australia continues to strengthen and grow. Key to this is the communication and collaboration among the Montessori schools and centres across Australia. To facilitate this MAF holds three regular annual events for Heads of Schools so that collectively we can meet, discuss issues and help inform Montessori Australia's policy direction, work plan and priorities.

The three annual events are:

- Meeting and Dinner 7 March 2008
- Administrators Workshop 6 - 8 June 2008
- Heads of Schools Retreat 29 - 30 August 2008

The workshop is open to "Heads of Schools/Centres". We appreciate that this varies from school to school or centre to centre and may entail the principal, business manager or the centre owner and for smaller pre-schools the authorised supervisor, head teacher or in some cases members of the school board. The event is designed for those responsible for managing the day-to-day operations of the school or centre. Some schools may operate with a leadership team and we are therefore happy for more than one person to attend from each school at the discretion of the Head of School.
